

### **Discovery Zone**

Discovery Zone is for the camper that wants to explore the unknown and exciting. Have you ever wanted to make your own ice cream? How about learning how to walk on eggs without breaking them? Discovery Zone is a place to learn about how the world works while having a blast (literally). Come and find out what exploding Pringles are!!!!

### **Rocketry**

Come create and explore the awesome topic of rocketry! Learn how to build rockets and launch them all by yourself!

### **Wilderness Skills**

You are stranded on an island! Want to find out how to survive in the wilderness? We'll build fires, read maps, filter water and so much more! You will leave wilderness skills with the confidence of knowing you could survive in the great outdoors.

### **Climbing Wall**

Learn all the skills and techniques you need to climb to the top of the wall! Not only will you learn how to reach that coveted cowbell at the top of the wall, you will also learn how to repel, tie knots, and take care of your equipment!

### **Media Arts**

If you are interested in learning about video and animation, media arts is for you! Learn how to create your own video projects from start to finish in this class!

### **Sets and Costuming**

Sets and Costuming is for the camper who wants to be a part of the theater show, but doesn't want to be on stage. Be a part of creating and designing the sets and costumes for our annual show. You will also learn about lighting and hair and makeup. Let your creative juices flow and help make Into the Woods a success!

### **Photo**

Learn the in's and outs of working with a digital camera. Master photo taking, editing, and presentation.

### **Street Art**

Learn the difference between graffiti and street art. Explore different ways to use spray paint and break down the ideas of traditional art. Embrace your inner Banksy!

### **Wearable Art**

Take your creative juices and move them off the page and onto your backpack. Create wearable pieces with everything from paint to thread and needle.

### **Theatre Variety**

This is a fun class where we explore all forms of theatre. We will be playing a lot of fun games that will teach us about Mime, Imagination, Character Development, Improv, and more. By the end of the class, you will have a lot of fun games to play with your friends and teach them awesome skills in the theatre.

### **Theatre Tech**

In this class, you will help *Into the Woods* come alive. Join us in creating the design for the set. Learn how to light a stage. And finally, you will practice how to do makeup for a real theatre production.

### **Cooking**

Surprise your grown ups when you get home from camp and make them a home cooked meal. In this class, you will learn the basics of cooking and baking. And, you get to eat what you make!

### **Library**

In this class, you have a few options. Some kids will take this chance to catch up on their favorite book. For others, this will be a time to do their summer homework or study for upcoming events.

### **Waterski**

First step jump in the water! Second step learn some awesome new moves out on the lake using waterski, kneeboards or wakeboards. Then on special days ride around the lake on a bumper tube with your best friend laughing along the whole time.

Today, you will be choosing your top 9 choices from the list below.
